*Certificate of testimony.*

*Greetings.....*

*This certifies that, interiors for our premises located at University road, first floor, Pune named as Apeejay Business Centre, was designed and executed by Interior studio admeasuring an area of about 6500sqft and amounting to a total value of 79 lacs approx.. and was completed in the year 2011-12. The duration of the project was 60 days. All the related interior design drawings including service drawings were made and well co-ordinated. All the aspects of design coordination with client, quality of the materials used, and adherence to the specifications were remarkable aspects of the project that could be taken note of. The project was handed over in the stipulated time frame.*

*We recommend them highly for their design and execution skills and wish them all the best for their future endeavour.*

*Thanking you.*

*Yours truly,*
